

## **A new dancers' social with live music by the Canberra Scottish Fiddlers to celebrate an auld acquaintance and blossoming friendships**

2:00 – 4:30pm, Saturday 28 November 2015

North Canberra Baptist Church, Condamine Street, Turner

\$10.00 and please bring a contribution for afternoon tea

Jenny Wanless is retiring from teaching the Black Mountain Reelers for more years than many of us care to remember. This social will be an occasion for all of us to wish her well.

Jenny has introduced many dancers to the joys of Scottish Country dancing and this social continues her tradition as we will also be welcoming this year's U3A Beginners Scottish Country Dance class to the Canberra dance community.

The program will include many dances that have been shared with the U3A class this year and they will all be walked through (full program coming soon).
